OCTOBER 2013

Our Skylight LED light is the ideal solution for large offices and indoor corridors

AS AUTUMN ARRIVES AND THE NIGHTS DRAW CLOSER INVEST IN LED LIGHTING TO KEEP ALL AREAS AS BRIGHT AS DAYLIGHT!

Our LED office lighting solutions ensure the best light output is achieved throughout the darkest of Autumn days.

Customers in the UK & Overseas are installing our LED lighting to provide their staff with a kinder and more natural light in which to work.

In doing so our customers are dramatically reducing their electricity and Co2 emissions by up to 70%

A POTATO PROCESSING PLANT INSTALL OUR LED LIGHTS IN THEIR CORRIDORS AND GREATLY IMPROVE THIS BUSY LOADING AREA

These busy loading and traffic areas are greatly improved by the installation of our SunRAY lights as these corridors above have no windows and so daylight is minimal.

QUOTE OF THE MONTH

“ STAFF WORK BETTER IN A NATURAL DAYLIGHT ENVIRONMENT WHICH INCREASES PRODUCTIVITY AND HELPS TO KEEP SICKNESS RATES DOWN “

Contact us for a free site survey with one of our technical team who will provide you with a full assessment of your current lighting and a calculation of return investment to enable you to make these cost-effective improvements.

Give us a call now on **01258 858171** and we can arrange for an adviser to get in touch.
