

THERESA MAY IN LAGOS!

We're pleased to see some progress in the relationship between the UK and Nigeria!

"We want to see increased trade between Nigeria and the UK, an increased investment, bringing jobs here in Nigeria and jobs in the UK" says Theresa May.

Theresa May and Governor Akinwunmi Ambode of Lagos State also spoke about the 'Light Up Lagos' project and the companies involved!

DIDAKTUS GYMNASIUM INSTALL LED

A new lighting solution was installed providing daylight-white light, with the possibility of dimming via standard pressure dimmers. The luminaire chosen, Sky Panel 66, is a smart LED luminaire that is energy efficient with an efficiency factor of over 120 lumens per watt. It gives a luminous flux of 4650 lumens and is dimmable via DALI or 10VDC. The high luminous flux reduces the number of luminaires, which also reduces installation costs.
